

Revista de Arte Digital: MidJourney, Dall-E, Stable Diffusion e outras.

PIXELIA

v. 1 n. 1 (2023)

Editorial

Bem-vindos à PIXELIA, uma publicação que explora o mundo da arte digital gerada por inteligências artificiais como Midjourney, Dall-E, Stable Diffusion e outras. Descubra uma seleção inspiradora de amostras de arte digital que desafiam as fronteiras da arte tradicional e inspire-se para experimentar as possibilidades oferecidas pelas ferramentas de inteligência artificial. A revista compartilha os prompts usados para criar cada imagem, proporcionando uma visão valiosa do processo criativo e das técnicas de descrição de texto. A PIXELIA é um convite para mergulhar no futuro da arte e da expressão visual, oferecendo uma experiência única e envolvente para inspirar e estimular sua criatividade. Embarque nesta jornada pelo universo da arte gerada por IA e descubra as infinitas possibilidades que a tecnologia e a imaginação humana podem alcançar juntas. Seja bem-vindo à PIXELIA, onde a arte e a inovação se encontram!

PIXELIA v. 1 n. 1 (2023)
