PIXELIA

v. 1 n. 3 (2023)

Editorial

Bem-vindos à PIXELIA, uma publicação que explora o mundo da arte digital gerada por inteligências artificiais como Midjourney, Dall-E, Stable Diffusion e outras. Esta edição especial foi elaborada apenas com imagens geradas exclusivamente pela Blue Willow. Descubra uma seleção inspiradora de amostras de arte digital que desafiam as fronteiras da arte tradicional e inspire-se para experimentar as possibilidades oferecidas pelas ferramentas de inteligência artificial. A revista compartilha os prompts usados para criar cada imagem, proporcionando uma visão valiosa do processo criativo e das técnicas de descrição de texto. A PIXELIA é um convite para mergulhar no futuro da arte e da expressão visual, oferecendo uma experiência única e envolvente para inspirar e estimular sua criatividade. Embarque nesta jornada pelo universo da arte gerada por IA e descubra as infinitas possibilidades que a tecnologia e a imaginação humana podem alcançar juntas. Seja bem-vindo à PIXELIA, onde a arte e a inovação se encontram!

Create a concept art environment painting for a post-apocalyptic cityscape that features overgrown foliage, dilapidated buildings, and ominous weather. The scene should showcase a small group of survivors navigating the dangerous terrain, with an emphasis on their resourcefulness and survival instincts. The painting should capture the gritty realism and attention to detail that is a hallmark of Naughty Dog games, while also incorporating subtle hints of hope and resilience amidst the chaos. --ar 3:2
